

# Voices That Still Speak Truth: Uncensored Channels & Podcasts

These are the people, voices, and platforms that haven't sold out, haven't backed down, and haven't lost their fire. They speak about soul memory, ancient history, planetary control, energetic healing, and the real war we're in — not the one on TV. This list changes as people get censored, shadowbanned, or deplatformed. Save it. Share it. Screenshot it.

## **The Forbidden Knowledge Podcast (Billy Carson)**

Ancient texts, pyramids, consciousness, Atlantis, tech suppression

## **Rex Bear – Leak Project**

Cosmic timelines, Tartaria, D.U.M.B.s, interdimensional war, ancient symbols

## **Archaix (Jason Breshears)**

Simulation theory, resets, false timelines, AI archons, energy shifts

## **Decoders of Truth (Podcast Archive)**

Real hidden history, sacred geometry, elite symbolism, occult manipulation

## **Dark Journalists**

CIA tech, spiritual politics, mind control systems, black projects

## **The Higher Side Chats**

Esoteric knowledge, magic, Earth mysteries, suppressed healing, conspiracies

## **Spiritually Raw**

Spiritual awakening, matrix exit, light body, intuitive gifts

## **Age of Truth TV (Lucas Alexander)**

Alien interference, dark rituals, light body activation, global resets

## **NOTE:**

**This list is just a starting point. Truth-seekers shift fast. Some will resonate. Some won't. Trust your discernment. But don't rely on platforms to keep this accessible — they're deleting truth daily.**
